BY-LAW No. 9.

To enable the Corporation of the City of Vancouver to raise the sum of Four thousand five hundred dollars (\$4,500), for the purpose herein set forth.

WHEREAS two-thirds of the owners of real property on that portion of Water Street between Carroll and Cambie Streets, in the City of Vancouver, representing one-half in value of said property, have petitioned this Council to make certain improvements, in said petition set forth, in that portion of Water Street above mentioned, and to provide funds for such improvements, to be repaid by a special rate to be levied on the real property immediately benefited by said improvements, such special rate to be sufficient to include the interest on said funds so provided, and a sinking fund for their repayment in five years from the date of the debentures hereafter mentioned.

And whereas, in accordance with the prayer of said petition, enquiries have been made to ascertain what real property will be immediately benefited by said improvements, and the proportions in which the assessments to defray the costs thereof are to be made on the various portions of real property to be so benefited;

And whereas said property to be so benefited has been ascertained and determined to be lots numbers 7, 8, 9, 10, 11, 12, and 13 in block one in the official survey of the town plot of Granville; lots numbers 1, 2, 3, 4, 5, 6, and 7 in block two in said survey; lots numbers 1, 2, 3, 4, 5, 6, 7, and 8 in block five in said survey; and lots numbers 9, 10, 11, 12, 13, 14, 15, and 16 in block six, in said survey;

And whereas the total amount of the debt which this by-law is intended to create is forty-five hundred dollars (\$4,500), and the total amount required to be raised annually for five years, for paying the debt and interest under this by-law, is ten hundred and eighty-eight dollars and nineteen cents (\$1,088.19), and the value of the whole real property rateable under this by-law, as ascertained and finally determined as aforesaid, is one hundred and nineteen thousand nine hundred and eighty dollars (\$119,980), without improvements, and the annual special rate per foot frontage, for paying interest and creating a yearly sinking fund for the payment of the principal of the debt, is as set forth in the third section hereof;

And whereas the debt hereby created is made on the security of the special rate settled by this by-law, and on that security only;

Be it therefore enacted by the Mayor and Council of the Corporation of Vancouver as follows:—

1. It shall be lawful for the Corporation of the City of Vancouver to raise, or cause to be raised, by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures hereinafter mentioned, a sum of money not exceeding in the whole forty-five hundred dollars (\$4,500), and cause the same to be paid into the hands of the Treasurer of the city for the above recited object.

2. That it shall be lawful for the Mayor of the said city to cause forty-five (45) or any lesser number of debentures to be issued for the purpose of raising said sum of money, each such debenture to be for at least one hundred dollars (\$100); and the said debentures shall be sealed with the seal of the city and be signed by the Mayor and countersigned by the Treasurer, and bear interest at the rate of six per centum per annum from their date, payable yearly, on the first day of October, at the Bank of British Columbia in the City of Vancouver, and shall have coupons attached to them for the payment of such interest, and shall be payable at the Bank of British Columbia in the City of Vancouver, in five years from the date of same.

3. That for the purpose of forming a sinking fund for the repayment of said debentures and interest at the rate aforesaid to become due thereon, a special

rate shall be annually levied upon the property to be immediately benefited by the improvements above recited, as shown in the following schedule:—

Such special rate shall be levied and collected in each and every year until said debentures are paid as aforesaid, in addition to all other rates to be raised, levied, and collected upon the property described herein.

4. It shall be lawful for any person owning real property upon which such annual special rate as aforesaid is to be levied to commute for such annual payment of same by paying a principal sum at the date of this by-law to the Treasurer of the city, or by paying a principal sum at the end of any year thereafter; the amount of such principal sum to be determined as follows:—

The whole of the sum which such person would have to pay under such special rate from the time of his making such application for commutation shall be determined, and the whole amount to be so paid by him, less five per centum per annum discount, shall be the principal sum required to be paid by such person; and upon payment of such sum the levying of the special rate upon the real property of such person so commuted for shall at once cease and determine.

This by-law shall take effect and come into operation on the first day of October, 1886.
